Belmont County Health
Department

The Belmont County Health Department provides immunizations every Wednesday (except legal holidays) from 9:00AM to 11:00AM and 1:00PM to 3:00PM.

Most insurances are accepted. Children up to 19 years of age who do not have health insurance coverage are eligible for the vaccine for children (VFC) program. An administration fee of \$15 per vaccine will be charged.
